Guest Speaker Rachel Burney

Rachel is a self-confessed history nerd and teaches the subject she loves in a Peterborough school. She is a worship leader and sits on the Board of Trustees for CROPS. Rachel loves to see the difference that knowing Jesus makes in the lives of young people. Her happiest place to be is curled up with an ocean view, anywhere in Cornwall, preferably with a cream tea close to hand!

Letton Hall HOUSEPARTY

17-20 February 2020

Research shows that the average person speaks over 7000 words,

has around 30 conversations and interacts with at least 22* people per day. We are wired to communicate and to make connection and, as Christians, we believe that we can communicate and connect with God as well as people. Followers of Jesus throughout the centuries have practiced prayer as a way of initiating and maintaining this connection and yet it is not an easy discipline to keep up. Disappointment, doubt and constant doing can all get in the way of the lines of communication between us and God and yet if we want to really deepen that relationship we've got to get to grips with our method of communication. So join us this February as we explore the dialogue which is so foundational to our faith - the vital, necessary and integral connection that is PRAYER.

About Letton Hall

Letton Hall, a converted Georgian country house, is a Christian Conference Centre in rural Norfolk. It has been in operation as a Christian Centre for over 30 years, during which time it has provided a wonderful facility for thousands of people who

have come to Letton as Churches, youth groups, schools and individuals. Letton Hall is set in the heart of the Norfolk Countryside within 10 beautiful acres.

Who Organizes Letton Houseparty?

LHH is organized and run by **crops** - a registered charity that has been working in Peterborough since 1989, running residential trips for young people, as well as being an educational resource to Primary and Secondary Schools.
