We would also love you to continue to pray for the team throughout August. For the first time, we will have a presence at Soul Survivor. Pray that over the 2 weeks, we will be able to make new connections with local youth team leaders and teachers, including those from the wider area. Pray also that we will be able to meet and inspire some gap year students to join us for 2017/8.

Pray also that the summer holidays will be an opportunity to recharge our batteries and re connect with families and friends.

Thank you so much to all of you who pray for the work done by the CROPS. We couldn't do it without you.
