

Worship Training Day 17th March 2012

Dear

YOUNG PEOPLES WORSHIP TRAINING DAY MARCH 2012

Well it's time for another Worship Training Day!

In March we spent time focussing on our skills as musicians, and also deepening our understanding of worship beyond music. We shared communion and meals together, and had a fantastic time!

In November we are going to have **band workshops** which focus on how to practice with a band, play as part of a band, and be sensitive to God's spirit as a band. We will also have seminars on **Old Testament Worship** and **Alternative forms of worship**.

The day will start at **9.30am** at **Bretton Baptist Church** and will include breakfast, lunch and dinner so we have the opportunity to eat together and enjoy each other's fellowship. The day will finish at around **6.30pm**

There is a small charge of **£10** to cover the costs of the day, but please, if money is an issue, speak to Kyle Armstrong at the CROPS office (kyle.armstrong@crops.org.uk)

This is going to be an amazing day, and we're all massively excited to see you there!

If you do want to come along, please return the attached consent form with the amount stated enclosed in an envelope, **Remember, there are limited spaces.**

(PLEASE NOTE, INSTRUMENTS DO NOT NEED TO BE BROUGHT TO THE DAY, BUT YOU WILL BE EXPECTED TO BRING A **BIBLE, PEN AND NOTEPAD**)

We look forward to sharing this day with you!

Many blessings,

Worship Training Day Team
